• ET flush mate to the \$15,000 Foxy Ladies bred heifer that sold to Walsh Simmentals.

• Another ET flush mate is the dam to the cover pictured bull selling as the lot 15 sale feature plus the lot 114 standout baldie yearling bull.

• Lot 181, a feature amongst the bred heifers, is another ET flush mate to this valuable future herd sire. His baldie calves will be worth a premium, and his daughters will make wonderful cows at maturity with quality to show as heifers.

• 8 EPDs rank in the breed's top 30% paced by a valuable top 15% REA!

• Tremendous total mass, extra volume and a wealth of power in his build, typical to the Proclamation sons.

• Top genetics for calving ease, growth, maternal and carcass traits come from both sides of his pedigree. His dam is one of our best Loaded Up daughters!
